

# St Peter's Old Collegians

## Thinking of Organising a Reunion or Get-Together?

St Peter's Old Collegians often receives enquires from old scholars wishing to organise a get-together of a particular peer year or special interest group.

For official SPOC events and reunions, St Peter's Old Collegians will provide support from beginning to end including event arrangements, venue, ticketing, food and beverage, communications and promotion.

For other functions, old scholars must coordinate the planning of their own event, which may include forming an organising committee or appointing a convenor. Special attention should be paid to the SPOC Calendar of Events to ensure that the date of your proposed function does not clash with another event being held.

For self-organised events, the SPOC office can assist you in the following ways:

- Provide a list of graduate names from a specific year. Please note we can only provide lists of old scholars based on peer year, i.e., the year in which former students left/would have left if graduating from St Peter's College. If former classmates left school prior to their graduation year, you may need to prompt us to include them in the list.
- Please note SPOC cannot provide old scholar contact information to convenors.
- Post a notification of your function on the SPOC website with the relevant contact details of the event convenor.
- Promote your function via our social media pages.
- Share event photos (supplied by you) after the event.
- The SPOC office is not responsible for communications, e.g., email and postal invitations for self-organised events.

For more information, please contact the SPOC Office +61 8404 0526 or email [spoc@stpeters.sa.edu.au](mailto:spoc@stpeters.sa.edu.au)
